

Webers Cider Mill Farm, Inc.  
410-668-4488 Store  
410-665-7844 Fax

Weber's Farm is looking for **seasonal** full-time and part-time associates from July through December.

Weber's Farm is a small family run business. We are farmers who raise crops then sell them at our on-farm market. Besides the fruits and vegetables we sell we also have a bakery, gift sales area, and specialty foods area. We also sell ice cream and make fudge. We have an apple cider mill where we press fresh apples into cider during the fall and Christmas season. In the fall season we provide fun family activities in our barnyard. We have hayrides, hillside slides, farm animals, boo barn, scarecrow making and lots of other fun things for families to do. We are a seasonal business, which is open from mid-July through Dec. 31.
